Your Interest and Motivation

why do you want to participate in the ECF x YARA AI, Ethics and Climate Governance Fellowship? Please tell us what draws you to the intersection of artificial intelligence, climate, ethics or governance and how the fellowship relates to the work you want to do. *

Votre réponse

Describe one issue involving AI, climate technology or emerging technology governance that you believe deserves greater attention in Africa. Explain the issue, why it matters and who is affected.

You do not need to propose a perfect solution. We are interested in how you think about the problem. *

Votre réponse

Tell us about one experience, project, course, piece of research, professional role or community activity that has prepared you to contribute to this fellowship. *
